

FROM THE DESK OF HEAD COACH

## **Gene Stephenson**

*Thank you for your interest in the Gene Stephenson Shocker Baseball Camps. Our goal every year is to aid and refine each players hitting and pitching fundamentals. Our staff works in harmony to provide each individual the utmost in instruction.*

*Through the summer, we offer 1 day, 3 day and one week long camps. We also offer a prospect camp to those players looking to show their skills to other coaches besides Wichita State. We employ coaches from other schools to assist with running the camp while also evaluating talent.*

*Our camps have so much to offer young men. Please take the time to read about each camp. We are here to prepare your son for a better baseball experience for many years to come.*

*Respectfully,*

*Gene Stephenson*
